

SPEED TRIVIA

OBJECTIVES

- Encourage team work
- Learn new facts about animals

GRADES

2-4

ESTIMATED TIME

40-60 minutes

MATERIALS NEEDED

- [Animal Trivia Challenge Cards](#)
- Individual whiteboards and markers

SETTING THE STAGE

Review recent science or social studies topics that are related to animals.

PROCEDURE

Have students get a whiteboard and marker.

All students that are able will stand to start the game.

The teacher will read out a trivia card and students will have 30 seconds to write down their answer. When prompted, students hold up their answers.

If they have the correct answer, students remain standing.

If a student has an incorrect answer, they sit down until the next round.

**Students that are sitting may still answer the trivia questions, they just will not have the opportunity to win the round.

SPEED TRIVIA

..... FOLLOW UP

- Discuss with students any facts that surprised them.
- If there are certain facts that relate to current studies, discuss these more in-depth.
