

It's Match-a-Meal Time!

Blue Plate Scramble is played in rounds: **Breakfast**, **Lunch & Dinner**. Three rounds make up one game.

Set the Table!

TWO TILES are randomly combined to make **ONE PLATE** of food.

- Scramble the 36 Plate Tiles face down.
- Select ten tiles and arrange them in five side-by-side pairs to make five "plates." **KEEP THEM FACE DOWN!**
- Set the remaining tiles aside. They will not be used in the round.

Memorize the Orders!

- Turn over the tiles and flip the timer. You now have 30 seconds to remember which items are paired together. You do not need to remember which item is on the left or right side of the plate.
- After 30 seconds, turn the plates face down.

Serve the Orders!

- Scramble the Food Cards and place them face down in a pile on the table.
- Flip the timer and **GO!**
- At the same time, everyone together frantically turns over the Food Cards looking for the foods that match the orders on the plate.
- When you find a match, place the card on the plate.
- When the timer runs out, **STOP!**

Score the Round!

- Turn the Plate Tiles face up.
- Count the number of incorrect plates (plates with missing or incorrect matches).
- For every incorrect plate, place one Angry Customer token on the scoreboard.

Play Three Rounds!

- Can you make it through breakfast, lunch and dinner before you have **FIVE** Angry Customers?

Example: Round 1 – Breakfast

2 incorrect = 1 angry customer

1 incorrect = 1 angry customer

2 correct = 1 plate

2 correct = 1 plate

1 missing = 1 angry customer

Oh No! 3 Angry Customers this Round!

Challenge

You can choose any number of plates you want to play in a round. Try five at first, but add more as you get the hang of it. For the ultimate challenge, play all 18 plates!

How did you do?

For fun, keep track of the total number of plates you correctly matched in all three rounds.
